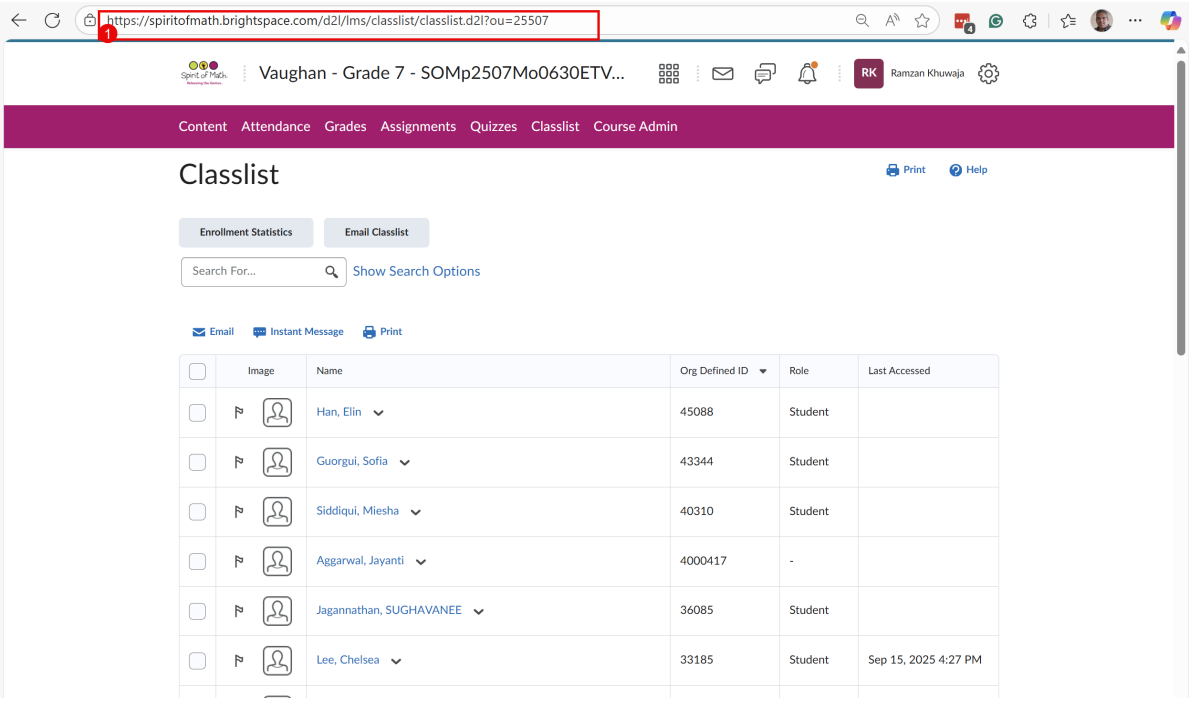
How to Download "ClassList"

Note: Make sure you are logged in to BrightSpace (ask a campus Principal to help you with this).

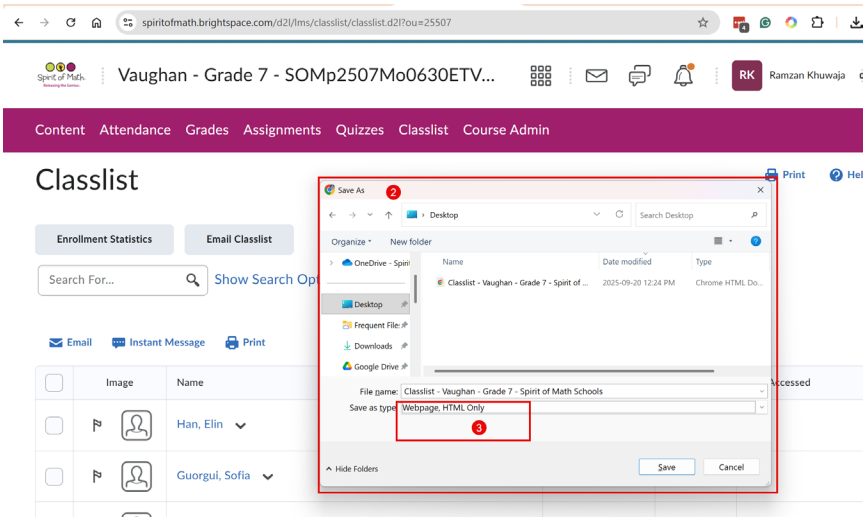
Download all "ClassList" files (in .html format) and copy to USB's "ClassList" folder.

To save a file, press Control + s on a Windows or Chromebook laptop.



Next Step:

- Right-click on the above page and press "Save As". Then you should see the following image.



Chromebook Use

1. Start with the guest login to sign in to the Chromebook
2. Log in to the SoM website using the Principal Account
3. Open the MAEClassMap2025-26 file (a csv or excel file) using Principal's SoM Office account for viewing purposes.
4. Now use the rest of PDF instructions (see above) and MAEClassMap2025-26 files to download data on the USB (into their proper folders)
